Re: Qualification Statement

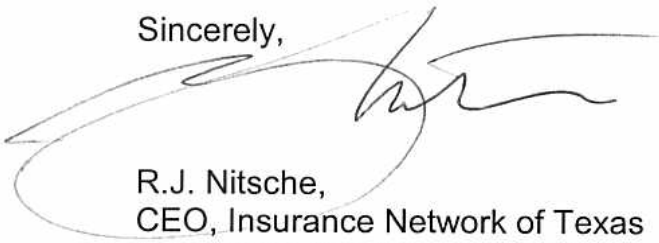

To Whom It May Concern:

It is a pleasure to furnish this letter on behalf of HHCC, Inc. Our agency has handled their Surety Bond needs for many years. Their current surety is Merchants Bonding Company and their bond line is more than adequate to support a single project in excess of \$7,500,000.

As you consider HHCC, Inc. for your project, we would certainly give our highest recommendation. If you award them a contract, we will, upon their request, be pleased to provide performance and payment bonds subject to a mutual agreement of the terms and conditions of a contract and the normal underwriting conditions established by Merchants Bonding Company.

Please feel free to call us if you need additional information or have any questions.

Sincerely,

R.J. Nitsche,
CEO, Insurance Network of Texas
Attorney-in-Fact/Merchants Bonding Company
